

BANT Calling Script – Prezent.ai

Opening

Hi, **(Prospect Name)**, this is **(Your name)** calling from **Prezent.ai**. I'm reaching out about using AI for presentations. How are you doing today?

I'm calling to share a short eBook from **Prezent.ai** titled

"How Biopharma Companies Are Transforming Their Presentations with AI."

It highlights how biopharma teams are:

- Streamlining communication using AI
- Saving time on presentation creation
- Improving decision-making with consistent, on-brand decks
- Includes a Fortune 500 biopharma case study

Can I go ahead & email it to you? **[confirm email], Job Title**

Before I send it, would it be okay if I asked couple of questions?

1. How does your team currently create and manage presentations?
2. What are your current challenges with the current module?
 - a. Time consuming slide creation
 - b. Lack of engagement in presentations
 - c. Inefficient presentation workflow
 - d. Inefficient content reuse
 - e. Any other
3. Are you the decision-maker for tools like this, or part of the decision-making team?
4. When is your company planning to implement this solution?

0-3 Months or 3-6 Months

Closing:

Based on what you shared, there may be value in seeing how other biopharma teams are approaching this. So, one of our expert from Prezent.ai will reach out to you shortly for a brief discussion. Thank you for your time today.
